SUIT PROGRAM

Signature Suit Program

Experience the perfect balance of classic tailoring and modern innovation. The Signature Program is crafted in our Preferred Material, featuring LENZING™ ECOVERO™ certified viscose that uses 50% less water and generates 50% less CO₂ than generic viscose fibers. Designed for all-day elegance, the fabric resists creasing, while 360° stretch ensures complete freedom of movement. Available in standard men's and women's sizes—with the option to mix and match—plus special sizes in stock. Offered in timeless colors for a polished look every day.

Casual Blazer

From a distance, it might look like a formal blazer, but up close, it's a soft, casual dream. The jersey fabric is extremely comfortable, lightweight and stretchy.

With its wrinkle resist, it's perfect for travel. You'll both look and feel your best in this hybrid, sweatshirt-meets-overshirt-meets-blazer. We encourage you to match it with shirts from any of our Bows. Dress it up or dress it down, all year around. Black color crafted in organic cotton and recycled polyester. Meanwhile the navy color is under transition to organic cotton and recycled polyester.
